Checklist follows the Official California Checklist compiled by the California Bird Records Committee, which itself follows the AOU Check-list of North American Birds (7th edition, and supplements).

Total number of San Diego County bird species = 524

* = California Bird Records Committee (CBRC) Review Species

I = Introduced Species

[] = Extirpated Species

Rarity Listing Codes

A+ = One or two records for the county

A = Two or fewer records in the last decade

B = Averages up to about one record annually

C = Averages up to about five records annually

D = Averages up to about ten records annually

F = Rare but regular
